Children's Centre

Greetings

By Diana Metrik,
Assistant Director

Hello everyone,
The April is here, and the spring is officially has began. The children are all excited to spend more time outdoor exploring melting snow, paddles, weather changes, etc. This month they will be learning about spring and Dinosaurs. The preschool staff planned wonderful activities for these themes. The school children were asking to start a Drama Club. Mrs. S. is working on this idea and we will inform you about the club as soon as we are ready to start.

Announcements

THANK YOU for your March book orders! And, Thank You for supporting reading in our program!

Remember, your purchases help us earn **FREE** books for our classroom!

Please, remember that all toys are to remain at home and may be brought into daycare on Toy Day only!!! Please, discuss it with your child. And thanks for your cooperation!!!

Just a friendly reminder for all parents:

Late fees of \$1.00 per day will be charged on all over due accounts.

As always, please feel free to stop by the office or talk to our staff if you have any concerns and questions about your child.

Thank you and have a great and safe April!

April Fun Facts

Most people know the month of April has 30 days and is the 4th month in our calendar year. Many believe it was named after Greek Goddess Aphrodite. And many religious holidays are celebrated in April: the Christian holiday of Easter usually falls in April; the Jewish holiday of Pesach (Passover) is celebrated in April.

And most people all know that April 1st is April Fools Day. Earth Day is celebrated on April 22nd. In some parts of the world, it's planting time. In other parts, it's the harvest season. The birds fly back northward or they settle down to have their families. The bees and butterflies begin to gather nectar from the first flowers of the season.
