Greetings

By Diana Metrik,
Assistant Director

Hello everyone,
The summer is finally here. It is time to remember about sunscreen and a bug spray. Please ensure your child has the sunscreen, bug spray and a hat!!! We are looking forward for all wonderful activities planned for the summer. The calendars and list of the field trips were mailed out. Please ensure that you arrive to daycare no later than assigned times for the field trips. The children that arrive after that will not be able to participate. Thank you for your cooperation. It is greatly appreciated!
In addition, Ms. F. is going to implement "BE COOL!" program for school age children. This program will help the children to deal with issues of bullying and teasing. Besides the excitement, this program builds confidence and increase respect for self and others! Round-a-clock supervision, great planning and our professional staff will make this summer an amazing experience for the children.
We are looking forward to a very exciting summer!
