Greetings

By Diana Metrik,
Assistant Director

Hello everyone,

The summer months are approaching. The weather is getting warmer and we are spending a lot of time outdoors. Please, remember to send sunscreen and hat for your child!!! Our staff is busy planning for the summer. If you require any programming information, feel free to ask staff about it.

When June comes along, our preschool children will learn about different cultures, traditions, holidays, food, etc. Also, they are very excited to start Father's day project.

The school age children are getting ready for the Annual Art show in the summer. They collect materials, looking for ideas, etc.

We are looking forward to a very exciting summer!

Announcements

The summer calendars for preschool and school age programs will be mailed out soon along with the field trip schedules. If you have any questions or concerns, please contact us.

Just a friendly reminder for all parents:

Please be sure to send sunscreen and a hat with your child, since the UV index is getting high.

Thanks for your cooperation.

As always, please feel free to stop by the office or talk to our staff if you have any concerns and questions about your child.

Thank you and have a great and safe June!

Seashell Critters

Save the shells you find on the beach this summer and make these adorable little seashell critters. This activity is a great way to test kids' creativity--have a seashell critter fashion show when you are all done!

What you'll need:

Seashells in various types and sizes, hot glue gun, and wiggle eyes.

How to make it:

1. Arrange shells together to form different animals and creatures.
2. Have a parent glue them together with hot glue.
3. Add wiggle eyes to your creatures.

HAVE FUN!!!
