## Greetings

By Diana Metrik,  
Assistant Director

Hello everyone,  
The summer is just around the corner. We are looking forward to sunny days and warm weather. This month the children will be busy exploring caterpillars, learning about their lifecycle and actually watching them becoming butterflies. Also, in the month of June the staff will be implementing different activities to promote multicultural awareness and self-esteem. Happy Father's Day to all Dads!!! We hope that you will enjoy the gift the children make for you.

## Father's Day Fun Facts

*Do fathers always snore? No - only when they are asleep!*

*In 1900, fathers could count on children to join the family business. Today, fathers pray their kids will soon come home from college long enough to teach them how to work the computer and set the VCR.*

*In 1900, fathers shook their children gently and whispered, "Wake up, it's time for school." Today, kids shake their fathers violently at 4 a.m., shouting: "Wake up; it's time for baseball practice."*
