MAY NEWSLETTER

Welcome to Spring...Finally! It was a long cold winter and thanks to our fabulous staff we have survived a lot of indoor days. With this nice weather (and sometimes rainy days), please make sure your child is dressed for changing weather conditions!

We are very excited about our new website. Monthly newsletters and important information will be in this section each month so please make it a routine to check the site for new information.

We have welcomed 2 new staff in the past few months. Melanie Spulnick started in April and Marni Reid started in December. Both are trained Early Childhood Educator's level 2 and bring a lot of great childcare experience with them. We are very lucky to have them join our centre.

MANITOBA CHILDCARE CONFERENCE

Some of our staff will be attending the annual Manitoba Child Care Conference May 28 or 29, 2009. It is a provincial conference that all childcare professionals can attend and enjoy some professional development and networking with others in their field. It is vitally important that staff is able to partake in professional development.
