Children's Centre

## Greetings

By Diana Metrik,  
Assistant Director

Hello everyone,

I hope that all of you have enjoyed sunny days of April and spent a lot of time outdoors. We are certainly looking at a very EXCITING month of May for our children. In the preschool our Curriculum is based on summer activities, weather changes, camping fun, etc.

We also, would like to teach the children about Mother's day which we celebrate in May.

In the school age program the children are getting ready for the summer art show, which will be guided by Ms. Klopick. The staff is busy planning for the summer. We booked a lot of fun field trips, such as Assiniboine Park Zoo, Canola learning centre, Tinker town, etc.

We are looking forward to a very exciting summer!

## Announcements

We re-hired our 2 summer staff: Ms. B. and Ms. F. that were working for us during the school year part time. Welcome back!

Our staff will be attending Annual MCCA Conference for Early Childhood Educators in May. We are looking forward to this event.

### *Just a friendly reminder for all parents:*

Please be sure to send sunscreen and a hat with your child, since the UV index is getting high.

Thanks for your cooperation.

As always, please feel free to stop by the office or talk to our staff if you have any concerns and questions about your child.

Thank you and have a great and safe May!

### Inside This Issue

### Just a reminder:

Dear Parents,  
Please remember to inform our staff of your child's absent.  
Call the daycare centre at 204-453-6566.  
Please return the Summer Registration Break Form by May 28, 2010.

Thanks for your cooperation.

## Important Dates

There is an early dismissal on Tuesday, May 4, 2010.

There is an **INSERVICE** for all children on Friday, May 7, 2010

The centre will be closed on Monday, May 24, 2010 for Victoria Day.

## Blowing Bubbles

Indoors or outdoors bubbles can be lots of fun to play with. They can be little bubbles or huge gigantic bubbles, but they all do the same thing....they float softly in the air until something magically pops them! You can purchase bubble mixture just about anywhere, from department stores to toy stores - but part of the fun of bubbles is you can make your own!! Follow this simple recipe:

### Materials Needed:

- 2/3 cup - 160 ml dish detergent
- 1 tablespoon - 15 ml glycerine 1 gallon 3.8L of water
- 1 gallon 3.8L of water

Mix all ingredients in bowl and now ready to make some awesome bubbles!!!

Have fun!!!
