Children's Centre

## Greetings

By Diana Metrik,  
Assistant Director

Hello everyone,  
The May is just arrived. We are enjoying sunny days and are trying to spend more time outdoors. The children are exploring lady bugs, weather changes, flowers, etc. They have been asking questions about bugs and wanting to learn more about them. We would like to follow their lead and learn about things that they are interested in. We also started working on special Mother's Day projects in both programs.

## Announcements

We would like to welcome back our summer student Ms. T. who is going to work in our preschool program in after May 23. Also, the staff from our Centre is going to attend Annual Child Care Conference that will take a place on May 26-27 and 28, 2011.

### *Just a friendly reminder for all parents:*

Late fees of \$1.00 per day will be charged on all over due accounts.

As always, please feel free to stop by the office or talk to our staff if you have any concerns and questions about your child.

Thank you and have a wonderful May!

## May Fun Facts

May is of the most beautiful months of the year. The first garden begins to sprout in May. The wild flowers are blooming, and the trees and grasses have turned green.

**Mother's Day** was first observed in 1908. It was designated by Presidential proclamation, and was recognized officially by Congress and the President in 1914. It is celebrated in honour of Mothers on the second Sunday of May.

Happy Mother's Day!!!
