Greetings

By Diana Metrik,
Assistant Director

Hello everyone,
We are just on the cusp of changing seasons and the weather is starting to cool down.

Our staff is busy planning different activities in order to implement a quality educational program. In November the children will learn about different types of transportation, observe 5 senses and how animals get ready for winter. Also, the children will learn about Remembrance Day and poppies. The Halloween Party was fun. It was great to see all the different costumes. We would like to say thank you for all the treats.
