Halloween fun

Halloween, referred to as All Hallows Eve, was originally a pagan holiday in which they honoured the dead. It was celebrated on October 31 since this was the last day of the Celtic calendar. The celebration dates back some 2,000 years. The official Orange and Black colors of Halloween came from orange being associated with fall harvest and black symbolizing darkness and death. Scarecrows, a popular Halloween fixture, symbolize the ancient agricultural roots of the holiday.
