Greetings

By Diana Metrik,
Centre Supervisor

Hello everyone,

The summer went by really fast. We enjoyed our activities, field trips, special visitors, etc. It is hard to believe that September is just around the corner. We hope everyone had a wonderful summer and managed to survive the weather. We would like to take an opportunity and say good bye to some of our friends and also welcome new families to our Centre. We are happy to have you with us and we look forward to your stay as we grow and learn together.

BACK TO SCHOOL LUNCH IDEAS

Bagel Critters

Let kids turn bagels, cream cheese, and assorted toppings into an edible zoo. This playful recipe also works well as an activity and quick lunch idea.

Ingredients: bagels, cream cheese and a variety of toppings, such as baby carrots, slices of tomato, sliced black olives, poppy seeds, cucumbers rounds, pretzels, and crunchy Chinese noodles.

Step 1

Spread the cream cheese on the cut bagels (going gently over the hole).

Step 2

Set out bowls of vegetables and crunchy noodles and let the kids turn the bagels into animal or monster faces,
